CUTTING LIST

No.	Item/Material	Quantity	Provided By
1	Computer/laptop with functional keyboard and mouse	1 per candidate	Institution
2	Microsoft Word or equivalent word processor	1 per candidate	Institution
3	A4 paper	5 sheets per candidate	Institution
4	Practical examination task sheet	1 per candidate	Institution
5	Designated storage folder	1 per candidate	Candidate
6	Internet connection	1	Institution
7	Picture/image file	1 per candidate	Institution
8	Printer/Print Preview facility	1	Institution
9	Mail merge data/recipient information	1 per candidate	Institution
10	Screenshot facility	1 per candidate	Institution

INSTRUCTIONS TO THE ASSESSOR

- ✓ Observe the candidate as they perform Tasks 1–20.
- ✓ Assess each task against the specific items listed in the Observation Checklist.
- ✓ Award marks only for correctly performed activities.
- ✓ The Observation Checklist carries **50 marks**.
- ✓ Assess the final document separately using the **10-mark Product Checklist**.
- ✓ Conduct the oral assessment separately using the **30-mark Oral Checklist**.
- ✓ Record the candidate's score and comments for each assessment item.
- ✓ Allow the candidate to work independently during the practical assessment.
- ✓ Verify that the candidate saves and submits the required files.
- ✓ The overall assessment is out of **90 marks**.

A. OBSERVATION PRACTICAL CHECKLIST – 50 MARKS

TASK 1 – Ergonomic Risk Factors

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
1.1	Identifies three ergonomic risk factors associated with prolonged computer use	1		
1.2	Explains the identified risks appropriately	1		
1.3	Provides appropriate corrective measures	1		
	Task 1 Total	3		

TASK 2 – Create and Save Document

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
2.1	Creates a new blank document	1		
2.2	Saves the document as PracticalTest_[YourName].docx in the designated folder	1		
	Task 2 Total	2		

TASK 3 – Set Basic Preferences

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
3.1	Sets Times New Roman, size 12	1		
3.2	Sets page size to A4	1		
3.3	Sets the required page margins	1		
	Task 3 Total	3		

TASK 4 – Type Paragraph

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
4.1	Types the supplied paragraph accurately	1		
4.2	Maintains the required wording and punctuation	1		
	Task 4 Total	2		

TASK 5 – Copy, Paste and Find & Replace

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
5.1	Copies and pastes the paragraph directly below the original	1		
5.2	Uses Find and Replace to change “computer” to “PC” in the second copy	1		
5.3	Confirms that all required occurrences have been replaced	1		
	Task 5 Total	3		

TASK 6 – Undo and Redo

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
6.1	Uses Undo to reverse the Find and Replace operation	1		
6.2	Uses Redo to restore the operation	1		
	Task 6 Total	2		

TASK 7 – Move and Delete Text

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
7.1	Moves the second paragraph above the first using Cut and Paste	2		
7.2	Deletes one sentence from the moved paragraph	1		
	Task 7 Total	3		

TASK 8 – Character Formatting

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
8.1	Applies bold, blue font colour and size 14 to the first paragraph	1		
8.2	Applies italics to the first sentence only	1		
	Task 8 Total	2		

TASK 9 – Superscript and Subscript

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
9.1	Inserts superscript “1” after “documents”	1		
9.2	Inserts subscript “2” after “typewriters”	1		

9.3	Maintains correct formatting of surrounding text	1		
	Task 9 Total	3		

TASK 10 – Paragraph Formatting

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
10.1	Applies 1.5 line spacing and justified alignment	1		
10.2	Applies 1.27 cm first-line indent and paragraph border	1		
	Task 10 Total	2		

TASK 11 – Bulleted List

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
11.1	Splits the paragraph into three separate bullet points	1		
11.2	Applies bullet formatting correctly	1		
	Task 11 Total	2		

TASK 12 – Page Break, Header, Footer and Orientation

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
12.1	Inserts a page break and creates a new section using a section break	1		
12.2	Adds full name to the header, automatic page number to footer and changes the new section to Landscape	1		
	Task 12 Total	2		

TASK 13 – Heading Styles

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
13.1	Types “Practical Test Document” at the top and applies Heading 1	1		
13.2	Applies Heading 2 to two appropriate subheadings	1		
	Task 13 Total	2		

TASK 14 – Productivity Features

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
14.1	Changes zoom to 150% and returns to 100%; hides and displays the ribbon	1		
14.2	Searches Help for “page numbers”, takes a screenshot and inserts it into the document	1		
	Task 14 Total	2		

TASK 15 – Create and Populate Table

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
15.1	Inserts a 4-column, 5-row table	1		
15.2	Enters the supplied headings and student records accurately	2		
	Task 15 Total	3		

TASK 16 – Modify Table

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
16.1	Adds one row and enters a new student's details	1		
16.2	Adds the Remarks column and fills it for each row	1		
16.3	Merges the Name and Age header cells, labels them “Student Info” and applies header shading/table style	1		
	Task 16 Total	3		

TASK 17 – Mail Merge

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
17.1	Creates the main document with Name and Course merge fields	1		
17.2	Creates/uses a data source with at least three Name and Course records	1		
17.3	Completes the merge and saves three personalized letters as a new document	1		
	Task 17 Total	3		

TASK 18 – Insert Objects

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
18.1	Inserts a picture with Square text wrapping	1		
18.2	Inserts a shape and a column chart using the supplied sales data	1		
	Task 18 Total	2		

TASK 19 – Table of Contents

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
19.1	Generates an automatic Table of Contents and places it before the document title	1		
	Task 19 Total	1		

TASK 20 – Captions, List of Figures and Print Setup

No.	Items to be Evaluated	Allocated Marks	Candidate Score	Comments
20.1	Adds Figure 1 and Figure 2 captions and generates the List of Figures	1		
20.2	Configures pages 1–2, two copies and duplex printing where available	1		
20.3	Inserts the print setup screenshot as the final item and saves the completed document	1		
	Task 20 Total	3		

PRACTICAL OBSERVATION TOTAL

	Marks
TOTAL PRACTICAL OBSERVATION	50

B. PRODUCT CHECKLIST – 10 MARKS

The product checklist assesses the **quality and completeness of the final work produced**, separately from observing how the candidate performed the tasks.

No.	Product to be Evaluated	Allocated Marks	Candidate Score	Comments
1	Final Word document is correctly saved using the required filename, opens successfully and contains the required content	2		
2	Overall document formatting, layout, headings, paragraphs, bullets, header, footer and page orientation are correctly presented	2		
3	Student table is complete, correctly modified, merged, shaded and contains the required Remarks column	2		
4	Mail-merge output contains three complete and correctly personalized letters	2		
5	Picture, shape, chart, captions, Table of Contents, List of Figures and required screenshots are present and appropriately positioned	2		
	TOTAL	10		

C. ORAL CHECKLIST – 30 MARKS

No.	Oral Question	Expected Answer	Allocated Marks	Candidate Score	Comments
1	What is word processing?	The use of computer software to create, edit, format, save and print documents	2		
2	Give two examples of word-processing applications	Microsoft Word, LibreOffice Writer, Google Docs, WPS Writer, etc.	2		

3	Why are page margins used?	To control the space between document content and the edges of the page	2		
4	Differentiate between Copy and Cut	Copy creates a duplicate; Cut removes selected content so it can be moved	3		
5	What is Find and Replace used for?	To search for specified text and replace it with other text	2		
6	What is the difference between Undo and Redo?	Undo reverses an action; Redo restores/repeats an action that was undone	3		
7	What is the difference between superscript and subscript?	Superscript appears above the normal text line; subscript appears below it	2		
8	Why is a section break used?	To allow different sections to have different page formatting, such as orientation	3		
9	What are a header and footer?	A header appears at the top of a page; a footer appears at the bottom	2		
10	What is mail merge?	A feature that combines a main document with a data source to create personalized documents	3		
11	What is the purpose of a Table of Contents?	To list headings and their page numbers for easy document navigation	2		
12	Why are captions used for pictures and charts?	To identify figures and enable creation of a List of Figures	2		
13	What is text wrapping?	It controls how text flows around an inserted object such as a picture	2		
	TOTAL		30		

D. OVERALL ASSESSMENT SUMMARY

Assessment Component	Maximum Marks	Candidate Score
